APPROVAL OF STATE ENGINEER 89503	
This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the sllowing limitations and conditions:	
This permit to change the point of diversion and place of use of a portion of the waters of an underground source as heretofore granted under Permit 32337 is issued subject to the terms and conditions imposed in said Permit 32337 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a totalizing meter must be installed and maintained in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. The totalizing meter must be installed before any use of the water begins or before the proof of completion of work is filed. If the well is flowing, a valve must be installed and maintained to prevent waste. This source is located within an area designated by the State Engineer pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times.  The total combined duty of water under this permit and Permits 32336, 32337, 35751, 35943, and 35944 shall not exceed 116.8 million gallons annually.  Those portions of Sections 14 and 15, T.19N., R.18E., lying south of the southerly right-of-way of U.S. I-80 are excluded from the place of use allowed ander this permit.	
he amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not	
exceed 0.22 cubic feet per second, but not to exceed 19.55	
million gallons annually.	
ctual construction work shall begin on or before December 14, 1979	
roof of commencement of work shall be filed before	
York must be prosecuted with reasonable diligence and be completed on or before <u>December 14, 1980</u>	
roof of completion of work shall be filed before	
pplication of water to beneficial use shall be made on or before	
roof of the application of water to beneficial use shall be filed on or before	
Iap in support of proof of beneficial use shall be filed on or before	
ommencement of work filed JAN 2 7 1981  IN TESTIMONY WHEREOF, I WILLIAM J. NEWMAN  State Engineer of Nevada, have hereunto set my hand and the seal of
